HEALTH AND HUMAN SERVICES

PUBLIC ASSISTANCE

Under current law, DWD allocates specific amounts of moneys in each fiscal year, including federal Child Care Development Funds (CCDF) and federal moneys received under the federal Temporary Assistance for Needy Families (TANF) block grant program, for various public assistance programs and for child care-related purposes, including transferring moneys to DHFS for its day care licensing operations. This bill increases and decreases those allocations and adds an allocation to pay for a share of the costs of a mail-order lending library and information center operated by DPI's division for libraries, technology, and community learning. The bill eliminates an allocation for grants for developing early childhood centers for providing outreach and training for parents and training for child care providers, and eliminates the program.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

LRB Draft: 05-1787/
P2 Utility...

Hi again Pam,

Just wanted to double check on the effective date of s. 49.175(1)(intro). There are several changes going on in this section of the statutes:

- deleting references to (jL) & (nL), and adding references to (jm), (me) and (t), all occur effective immediately upon passage of the budget bill
- my understanding is that deleting the reference to (s) will be effective July 1, 2007.

LRB draft 1787/P2, Section 9454 {effective dates for DWD) says: the treatment of section 20.445(3)(s) and 49.175(1)(intro.) of the statutes takes effect on July 1, 2007. Will the reference to 49.175(1)(intro.) be understood to refer to just the treatment of (s) under s. 49.175(1)(intro.)? Will it be clear that all those other changes are effective immediately?

Or maybe there is another version of 1787 that will clarify this and it just hasn't come through yet ... ?

FYI - it is correct to use the amounts in draft 1662/3 for the allocations under s.49.175(1)(ze)2.

Thanks,
-Erin

HEALTH AND HUMAN SERVICES

PUBLIC ASSISTANCE

Under current law, DWD allocates specific amounts of moneys in each fiscal year, including federal Child Care Development Funds (CCDF) and federal moneys received under the federal Temporary Assistance for Needy Families (TANF) block grant program, for various public assistance programs and for child care-related purposes, including transferring moneys to DHFS for its day care licensing operations. This bill increases and decreases those allocations and adds an allocation to pay for a share of the costs of a mail-order lending library and information center operated by DPI's division for libraries, technology, and community learning. The bill eliminates an allocation for grants for developing early childhood centers for providing outreach and training for parents and training for child care providers, and eliminates the program.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

1 **SECTION 1.** 20.445 (3) (mc) of the statutes is amended to read:

2 20.445 (3) (mc) *Federal block grant operations.* The amounts in the schedule,
3 less the amounts withheld under s. 49.143 (3), for the purposes of operating and
4 administering the block grant programs for which the block grant moneys are
5 received and transferring moneys to the appropriation accounts account under s.
6 20.435 (3) (kx) and ~~(6) (kx)~~. All block grant moneys received for these purposes from
7 the federal government or any of its agencies for the state administration of federal
8 block grants shall be credited to this appropriation account.

Analysis by the Legislative Reference Bureau

HEALTH AND HUMAN SERVICES

PUBLIC ASSISTANCE

Under current law, DWD allocates specific amounts of moneys in each fiscal year, including federal Child Care Development Funds (CCDF) and federal moneys received under the federal Temporary Assistance for Needy Families (TANF) block grant program, for various public assistance programs and for child care-related purposes, including transferring moneys to DHFS for its day care licensing operations. This bill increases and decreases those allocations and adds an allocation to pay for a share of the costs of a mail-order lending library and information center operated by DPI's division for libraries, technology, and community learning. The bill eliminates an allocation for grants for developing early childhood centers for providing outreach and training for parents and training for child care providers, and eliminates the program.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

FOR 2005-07 BUDGET -- NOT READY FOR INTRODUCTION

1 AN ACT ...; relating to: the budget.

Analysis by the Legislative Reference Bureau

HEALTH AND HUMAN SERVICES

PUBLIC ASSISTANCE

Under current law, DWD allocates specific amounts of moneys in each fiscal year, including federal Child Care Development Funds (CCDF) and federal moneys received under the federal Temporary Assistance for Needy Families (TANF) block grant program, for various public assistance programs and for child care-related purposes, including transferring moneys to DHFS for its day care licensing operations. This bill increases and decreases those allocations and adds an allocation to pay for a share of the costs of a mail-order lending library and information center operated by DPI's division for libraries, technology, and community learning. The bill eliminates an allocation for grants for developing early childhood centers for providing outreach and training for parents and training for child care providers, and eliminates the program.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
